ABOUT AFRICA GLOBAL BUSINESS

Africa Global Business (AGB) is Cargo Company located in Doha Qatar. Africa Global Business (AGB) offers world-class service for containerized LCL/FCL shipments as well as project freight. Africa Global Business adapts its services to your needs, whether you are a large company or an individual. AGB ships all kinds of products, vehicles, construction materials, semi-finished products...; we ship them at the most competitive prices

OUR MISSION

Our mission is to provide good, innovative cargo services that improve business solutions for our clients. Our goal is to add value for clients, business partners and principals through restless following of perfection and direct focused on fulfilling customer needs.

OUR VISION

Our vision is to be the most innovative import export company in the Gulf Countries and Africa. Connecting people, business, and communities to a better future through logistics. To be identified as one reliable company in our industry.

AIR FRIEGHT

Africa Global Business (AGB) has facility to provide Quality Check Services to ensure the goods are packed properly as per the guidelines by customers for safe movement. Pre-loading cargo assures quality, maintaining lead times, security management and compliance to Avoid risk of cargo damage, breakage, theft. Our team of Air Freight professionals follows through on each and every shipment so that our customers can be assured of real-time status reports on all import and export air freight shipments at all times.

Our Air Freight Services include Complete Logistics Programs (pick, pack, assembly, warehousing, documentation and handling).

SEA FRIEGHT

Sea Freight is one of the key elements in multimodal transportation service. Our dedicated team of customs experts works diligently to ensure swift, hassle-free customs clearance, minimizing potential delays and costs. Leveraging our deep understanding of international trade regulations, we guide your shipments through customs, ensuring all paperwork is compliant, duties are accurately paid, and cargo is released promptly.

Whether it's Full Container Loads (FCL) or Less than Container Loads (LCL), KGR Logistics provides tailored sea logistics solutions that scale according to your business needs

ROAD TRANSPORTATION

Road transport is the physical process of transporting cargo or people by road using motor vehicles or other means such as bicycle, motorcycle, etc. In this case, road is a lane/route between the point of departure and the point of destination.

Compared to other types of transport system such as sea and air, the cost of maintaining roads is cheaper. Road transport can be in certain cases, the only method of transport in/to rural areas where other mode of transports is not available.

WAREHOUSING, FULFILLMENT & DISTRIBUTION

Our warehousing solutions are always based on our customers' needs and business requirements. We may set up a fully tailored and integrated long term warehousing solution, provide short term buffer storage. We provide cost efficient and flexible solutions that adapt to your business needs and keep your logistics ahead of the competition. Besides warehousing and normal pick & pack activities, we are able to offer various cost efficient value added services, distribution or we can manage your whole supply chain.
